

Top of the Lake Coffee

has a new, dynamic way to support Merge, build your ministry and give back to communities Merge serves!

It all begins when your group purchases delicious farm-sourced and freshly roasted coffee at wholesale prices to sell at retail prices to the coffee lovers in your community. Each package sold will have this impact:

Support

Merge Ministries receives \$1.10 per package purchased to support the work of their trip coordinators throughout the world.

Build

Your group receives the difference to support mission experiences or other youth ministry projects.

Give Back

Your freshly roasted coffee is purchased from individual farmers or local cooperatives at better than the commodity index price for coffee, providing meaningful economic impact for their families and communities.
